Please telephone with your expected time of arrival, and vacate the cottage promptly so that our cleaners can prepare it for the next guests.

No more than the maximum number of persons as stated on the website or brochure to occupy property..

The hirer is expected to take all reasonable care of the property and the furniture within it and leave all equipment clean and tidy, we would also like to point out that as the living areas all have wooden floors stiletto heels should not be worn as they are damaging the wood. We require a £200 security deposit paid along with the balance payment from all group of 10 or more people, this will be refunded by post after you leave.

All properties are strictly **non smoking**

Pets are welcome in Swallow and Widgeon Cottages, by prior arrangement only, at an extra charge of £20 per animal. If you are in a group renting several of the cottages please ensure that your pets do not enter the other cottages as we have to guarantee that they are pet free for people with allergies.

An adult must accompany any Children under 16 who wish to go fishing on our land.

Please follow the **Directions** either on the web or that we have sent to you as the “**Sat-Nav**” for our postcode does not recognise the farm drive to the cottages and will take you along Steenwood Lane, which is incorrect.

Cancellation

Your deposit is not refundable. If you cancel after you have paid your balance payment, which is due 6 weeks before you arrive, we will endeavour to relet the cottage in which case we will refund the balance. If we are unable to do so we will give you a credit of half this balance to use against another holiday booked with us within 2 years. We would advise everyone to take out travel insurance.
